

City of Prospect Heights

AMENDMENTS

to the

ICC INTERNATIONAL FIRE CODE 2003 edition

1. **The City of Prospect Heights Amendments.**
The City of Prospect Heights amendments to the IBC, other amendments, the Zoning Ordinance and Municipal Ordinance shall supercede all sections of all of the adopted model codes.
2. **Conflicts**
Whenever two codes are in conflict, the more stringent requirement shall govern.
3. **Automatic Fire Suppression Requirements:**
The details outlining the requirements for the installation of Automatic Fire Suppression systems are outlined in a City of Prospect Heights Ordinance.
4. **Explosives - Prohibited**
The possession, manufacture, handling, sale and use of explosives and explosive materials as outlined in Chapter 33 is prohibited within the corporate limits of the City of Prospect Heights.

EXCEPTIONS:

- a) The use of fireworks as a display may be permitted when approved by the Building and Zoning Director and the Prospect Heights Fire District.
- b) The use of explosives in construction projects may be utilized when approved in advance by the Building and Zoning Director and the Prospect Heights Fire District.
