Our National Parks

*The National Mall welcomes millions every year,
but what they see is hardly welcoming.*

Eric Chwang

More than two miles of open space, monuments, and memorials welcome and inspire 25 million visitors to our nation's capital each year. But like many national parks, the National Mall in Washington, D.C., desperately needs our help. Although Congress has proposed some additional investment, "America's front yard" still needs \$350 million in federal funding for maintenance, repairs, and preservation. Now is the time to act if we're going to preserve our national parks in time for their upcoming centennial, and ensure they can be enjoyed by our children and our grandchildren.

You can help with a simple letter. Visit NPCA.org/mall. Or call 1-800-NAT PARK.
