NEW BUSINESS

Questionnaire

We will begin work on a venue for fall or spring. Would hope the cost is under \$600. The first week in October will be favorable.

We hope to present water discussions regarding present city water. There are 1090 City water users. Some possibility of savings are joining Mt. Prospect suppliers; piggybacking on some communities and contacting the Northwest Water supply.

Breakdown of present water charges has been requested.

Reports from sub-committees.
