

VI. Public Comments

Rogers Faden said he intended to talk about Cody Rogers' contract renewal but now it has been removed from the agenda. He gave a timeline of events up to Cody Rogers being hired by the Airport as public relations.

VI. Hearing and Reports

A) Treasurer's Report

Director Saewert said the fiscal year ended last month and 100% of operating revenue was achieved while expenses were at only 83% of the budgeted amount. He said the audit is in process.

B) Executive Director's Report.

Executive Director, Jamie Abbott, reported on the following:

- ➔ Operations update:
 - There has been a slight uptick in aircraft traffic recently.
 - Flooding – some pavement is under water. Runway 6/24 is closed. The water is receding.
- ➔ Rock 'n' Run the Runway has been cancelled by the Village of Wheeling.
- ➔ U.S. Customs
 - 845 Design Group has submitted full plans to Customs and Border Protection (CBP).
 - The Construction Manager will be selected officially tonight.
 - CBP has increased user fees.
- ➔ RSIP – 156 applications have been received and the first newsletter has been sent out.
- ➔ Construction
 - Plote will repair a taxiway connector from last year's Runway 12/30 project.
 - EMAS repair starts June 1 and will involve up to 7 night-time runway closures.
 - Pavement repairs and remarking will be evaluated. Staff will do small remarking projects.
- ➔ The CARES Act airport stimulus application has been submitted. The funds can be used for operational purposes.
- ➔ AIP grants for 2020 projects will be covered 100%.

- ➔ Jamie has been working with Cody on a future communications plan.
- ➔ Jamie would like to postpone the June Noise Committee Meeting with directors' approval. There were no objections.
- ➔ Noise complaint graphics were shown. There were seven noise complaints in April; four of them during the day and three at night; two of them were south of the field, four to the north and one to the northwest.
- ➔ Upcoming Events
 - Monday, May 25th is Memorial Day and the office will be closed.
 - Monday, June 16th is the quarterly FBO Users meeting which will take place via Zoom.
 - Wednesday, June 17th is the next Board of Directors meeting.

Director Lang asked about AIP grant funds and if the funds could be used towards other projects? Jamie explained the guidelines.

Director Kiefer spoke about the AIP grant funds and the apron project for the U.S. Customs facility. Jamie said the 100% allowance applied to projects that were already awarded. Dan Pape, CMT, explained why the apron is not included and spoke about the CARES Act.

Director Saewert asked what project would trigger reimbursement for the Master Plan. Dan Pape said the taxiway reconfiguration would be the best choice because it is an important project to the FAA. Director Saewert asked what the time frame is on that project and Dan replied construction would be Summer 2021.

Chairman Harris asked about the Corporate Users meeting and wondered if the corporate pilots noticed any trends in private travel or mentioned anything of interest during the meeting. George said they talked about layoffs and business being down significantly. Jamie has a conference call tomorrow to discuss this topic and said corporate flight departments have been hit hard.

C) Director of Economic Development – George Sakas

- ❖ Hangar 5/6 has fully transitioned from Signature to the Airport management. Hawthorne Global Aviation will provide services to the hangar tenants. Aircraft storage and office occupancy are on target.
- ❖ Hangars 4 and 7 – There has been a short delay on punch list items. CMT will do soil borings next.
- ❖ Atlantic Aviation's new Hangar 43 – The Village of Wheeling has given comments on the plans. There will be coordination with engineers on moving the fuel farm and two more FAA divisional approvals are due. Dan Pape, CMT, spoke about the approvals that have been received.

Director Kiefer asked George for an update on the U.S. Customs facility costs compared to the original estimates. George said that he has updated costs from Comosy and will have a complete update for the next meeting.

D) Public Relations Update – Cody Rogers

- ❖ He has sent out COVID-19 communications and has another planned for when IL enters Phase 3.
- ❖ Stakeholder communications
 - i. Distribution lists – the Airport needs a better database to work from and he is looking into cost effective solutions
 - ii. He is establishing policies and procedures regarding what and when communications go out.
- ❖ FY21 Marketing – There are very few marketing opportunities since events have been cancelled. The staff should be prepared to look for opportunities when the economy opens.
- ❖ Cody spoke about the attacks on him and his work with the Airport.

E) Board Member Comments

- Director Kiefer spoke about COVID scares and thanked Jason for his work on the financials. He thanked Cody for taking the high road and he appreciates it.
- Director Hellyer congratulated Jason for being recognized and thanked Cody for his work at the Airport.
- Director Saewert said he appreciates Jason’s effort to obtain the award and spoke about when Cody was hired. He said the public relations work done by Insight PR was high class and will be missed. Director Saewert asked Dan Pape, CMT, for an explanation of the portion of last year’s Runway 12/30 project that needs to be redone. Dan said three weeks after the project was done depressions in the pavement showed up. There was discussion about the pavement in that area and the issue.
- Director Lang said he knows how hard Jason works and he deserves the award. He thanked Cody and said he raised the bar and has done a great job.
- Director Kearns thanked Cody and the rest of the team for the high-quality PR work. He said he was aware of the relationship with the Chairman and knew the hiring process did not involve the Chairman.

Director Hellyer departed the meeting at 7:00 PM.
