

Prospect Heights Police Department

Citizen's Police Academy

The Prospect Heights Citizen Police Academy is a nine-week program offered to residents and those that work in the City of Prospect Heights. The academy is designed to offer participants a general understanding of the mission, values and operations of the Police Department. The academy offers hands-on experiences and insights into the nature of police services. The program includes classroom style presentations, open discussions, demonstrations, and practical exercises including firearms safety and gun range as well as a tour of Northwest Central Dispatch Center. Upon completion, it is the hope of the Police Department that academy graduates will possess a better understanding of police services provided by the City of Prospect Heights.

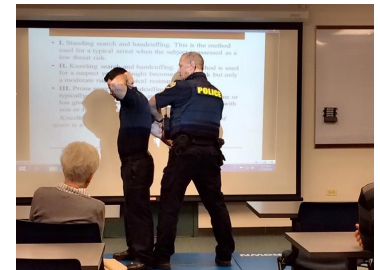

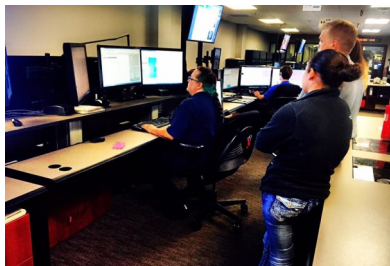

Graduates will also be given the opportunity to join our Volunteer Program which assists the Prospect Heights Police Department in providing additional non-emergency services.
