DOCUMENT DESTRUCTION EVENT(S)

As a courtesy to residents who have sensitive documents to recycle, such as medical records, tax forms, bank statements, etc., the Agency continues to provide seasonal Document Destruction Events.

Each year, community events run from May through October, and there is no cost for SWANCC residents to participate. Paper documents must be brought to the event in either paper shopping bags or cardboard boxes - **NO PLASTIC BAGS** - please! There is a limit of six file-size boxes or paper shopping bags per vehicle. Paper clips and staples do not need to be removed, but please remove binders. Also, please have your ID ready, as staff will be checking each vehicle. Workers will help take paper out of vehicles and place in totter carts. The documents will then be loaded into a shredding truck on site. The paper will be cross-shredded, baled, and recycled. Residents from a SWANCC [member community](#) may participate in events in any community.

No business or institutional waste will be accepted.

Check with SWANCC at 847-724-9205 or visit www.swancc.org for scheduled dates.

RESIDENTIAL CHEMICAL DISPOSAL

Household Chemical Waste (HCW) collections are conducted by the Illinois Environmental Protection Agency (IEPA) and are available to all Illinois residents.

The [IEPA](#) web page includes information concerning their collection program, along with a complete schedule of upcoming collection events.

The following long-term facilities are available for disposal of HCW. Please phone the long-term facilities ahead to determine availability and open hours. For questions concerning the IEPA's one-day or long-term collections, please call the Waste Reduction Unit at (217) 524-3300.
